

COMPONENT AUDITOR SUBSEQUENT EVENTS REPORT

<Note to preparer: Note that this appendix should only be completed if the component auditor has been requested to perform procedures related to subsequent events per the Referral Instructions Part II – Component Specific Instructions.>

To: Ms. Kalai Man, Deloitte Touche Tohmatsu – Hong Kong

Subsequent to the submission of our Clearance Memorandum and Component Auditor Summary Memorandum to you on 20 September 2021, we have extended our procedures related to subsequent events in accordance with your referral instructions dated 21 June 2021 through 20 September 2021.

Material Adjusting Events Occurring Subsequent to Period End and Submission of our Clearance and Summary Memoranda

Insert adjusting events that are more than inconsequential¹ to the group. State “none” if none have been identified.

None

Material Non-adjusting Events Occurring Subsequent to Period End and Submission of our Clearance and Summary Memoranda

Insert non-adjusting events that are more than inconsequential¹ to the group. State “none” if none have been identified.

None

¹ If the value of the event’s impact is known, identify only those that are above the threshold for clearly trivial misstatements at the group level. If the value of the impact is not known, professional judgment is required in determining whether the impact is more than inconsequential on the financial statements, and discussion with the group engagement team prior to issuance of this communication may be appropriate.
