Have discussed with FR. They agreed to give us 7 lines as a **loan** till 31<sup>st</sup> December 2021.  
Condition by that time (dec) we will buy new 30 line licenses.

We have already plan board at GTL ( existing what PPC using) - just bought new LINE lin and add in board will be ok. For us option A ( 5693.00 GBP) is ok.

*I had taken also cost for a new board with lin also to review / compare - sharing you here.*

Can we confirm them on Option A purchase by December - please confirm.

Option A - 30 Line adding in GTL existing planning board :

Item Description	Core Price In
<b>Software Licenses:</b>	
30 additional planning rows	5,693
Support & Maintenance for 2nd and subsequent years	1025
<b>Total</b>	<b>6,717 GBP</b>

Option B - 30 Line with a new planning board :
