a third party acting in good faith.
5. ISSUANCE OF THIS BILL OF LADING
By issuance of this Bill of Lading the Carrier assumes liability as set out in these Conditions and

(1) For Port to Port or Combined Transport, undertakes to perform and/or in his own name to procure the performance of the entire transport, from the place at which the Goods are taken in charge to the place designated for delivery in this Bill of Lading.
(2) For the purposes and subject to the provisions of this Bill of Lading, the Carrier shall be responsible for the acts and omissions of any person of whose services he makes use for the performance of the Contract evidenced by this Bill of Lading, but see clause 28 below.

(3) When issued on a Port to Port Basis, the responsibility of the Carrier is limited to that part of the Carriage from and during loading onto the vessel up to and during discharge from the vessel and the Carrier shall not be liable for any loss or damage whatsoever in respect of the Goods or for any other matter arising during any other part of the Carriage even though charges for the whole Carriage have been charged by the Carrier. The Merchant constitutes the Carrier as agent to enter into contracts on behalf of the Merchant with others for transport, storage, handling or any other services in respect of the Goods prior to loading and subsequent to discharge of the Goods from the vessel without responsibility for any act or omission whatsoever on the part of the Carrier or others and the Carrier may as such agent enter into contract with others on any terms whatsoever including terms less favourable than the terms in this Bill of Lading.

6. DANGEROUS GOODS INDEMNITY

(1) The Merchant shall comply with the rules which are mandatory according to the National Law or by reason of International Convention, relating to the carriage of Goods of a dangerous nature, and shall in any case inform the Carrier in writing of the exact nature of the danger, before Goods of a dangerous nature are taken in charge by the Carrier and indicate to him, if need be, the precautions to be taken.

(2) If the Merchant fails to provide such information and the Carrier is unaware of the dangerous nature of the Goods and the necessary precautions to be taken and if, at the time they are deemed to be a hazard to life or property, they may at any place be unloaded, destroyed or rendered harmless, as circumstances may require, without compensation, and the Merchant shall be liable for all loss, damage, delay or expenses arising out of their being taken in charge, or their carriage, or of any services incidental thereto.
(3) If any Goods shipped with the knowledge of the Carrier as to their dangerous nature shall become a danger to the vessel, vehicle or cargo, they may in like manner be unloaded or landed at any place or destroyed or rendered innocuous by the Carrier, without liability on the part of the Carrier, except General Average, if any.

7. DESCRIPTION OF GOODS AND MERCHANT'S PACKING

(1) The Merchant shall be deemed to have guaranteed to the Carrier the accuracy, at the time the Goods were taken in charge by the Carrier, of the description of the Goods, marks, numbers, quantity, weight and/or volume as furnished by him, and the Merchant shall defend, indemnify and hold harmless the Carrier against all loss, damage and expenses arising or resulting from inaccuracies in or inadequacy of such particulars. The right of the Carrier to such obligation from the Merchant shall in no way limit his responsibility and liability under this Bill of Lading to any person other than the Merchant.

(2) Without prejudice to Clause 8 (A) (2), the Merchant shall be liable for any loss, damage or injury caused by faulty or insufficient packing of Goods or by faulty loading or packing within containers and trailers and on flats when such loading or packing has been performed by the Merchant or on behalf of the Merchant by a person other than the Carrier, or by defect or unsuitability of the containers, trailers or flats, when supplied by the Merchant, and shall defend, indemnify and hold harmless the Carrier against any additional expenses so caused.

(3) It is agreed that superficial rust, oxidation or any like condition due to moisture is not a condition of damage but is inherent in the nature of the Goods and acknowledgement of the receipt of the Goods in apparent good order and condition is not a representation that such conditions of rust, oxidation or the like did not exist on receipt.

(4) (a) The Merchant undertakes not to tender for transportation any Goods which require temperature control without previously giving written notice of their nature and particular temperature range to be maintained and in the case of a temperature controlled Container stuffed by or on behalf of the Merchant further undertakes that the Goods have been properly stuffed in the Container and that its thermocyclic controls have been properly set by the Merchant before receipt of the Goods by the Carrier. If the said requirements are complied with the Carrier shall not be liable for any loss of or damage to the Goods by such non-compliance.
(b) The Carrier shall not be liable for any loss of or damage to the Goods arising from latent defects, derangement, breakdown, stoppage of the temperature controlling machinery, plant installation or any apparatus of the Containers, provided that the Carrier shall before or at the beginning of the transport exercise due diligence to maintain the temperature controlled Container in an efficient state.

8. EXTENT OF LIABILITY

A. (1) The Carrier shall be liable for loss or damage to the Goods occurring between the time when the Goods are taken in charge by the Carrier and the time of delivery or discharge.
(2) The Carrier shall, however, be relieved of liability for any loss or damage if such loss or damage was caused by
(a) an act or omission of the Merchant, or person other than the Carrier acting on behalf of the Merchant or from whom the Carrier took the Goods in charge;
(b) insolvency or defective condition of the packaging or marks and/or numbers;
(c) handling, loading, storage or unloading of the Goods by the Merchant or any person acting on behalf of the Merchant;

(d) Inherent vice of the Goods;
(e) strike, lockout, stoppage or restraint of labour, the consequences of which the Carrier could not avoid by the exercise of reasonable diligence;
(f) a nuclear incident if the operator of a nuclear installation or a person acting for him is liable for this damage under an applicable International Convention or National Law governing liability in respect of nuclear energy;

(g) any cause or event which the Carrier could not avoid and the consequences whereof he could not prevent by the exercise of reasonable diligence.

(3) The burden of proving that the loss or damage was due to one or more of the above causes or events shall rest upon the Carrier. When the Carrier establishes that, in the circumstances of the case, the loss or damage could be attributed to one or more of the causes and events specified in (b) to (g) above, it shall be presumed that it was so caused. The claimant shall, however, be entitled to prove that the loss or damage was not, in fact, caused wholly or partly by one or more of these causes or events.

B. When in accordance with Clause 8 A. (1) the Carrier is liable to pay compensation in respect of loss or damage and the stage of transport where loss or damage occurred is known, the liability of the Carrier in respect of such loss or damage shall be:
(1) determined by the provisions contained in any International Convention or National Law, which provisions
(a) cannot be departed from by private contract, to the detriment of the claimant; and
(b) would have applied if the claimant had made a separate and direct contract with the Carrier in respect of the particular stage of transport where the loss or damage occurred and received as evidence thereof any particular document which must be issued in order to make such International Convention or National Law applicable.

(2) with respect to the transportation in the United States of America or in Canada to the Port of Loading or from the Port of Discharge, the responsibility of the Carrier shall be to procure transportation by carriers (one or more) and such transportation shall be subject to the inland carriers' contracts of carriage and tariffs and any law compulsorily applicable. The Carrier guarantees the fulfillment of such inland carriers' obligation under the contracts and tariffs.

9. CONTAINERS

(1) Goods may be stuffed by the Carrier in or on Containers and Goods may be stuffed with other Goods.
(2) The terms of this Bill of Lading shall govern the responsibility of the Carrier in connection with or arising out of the supply of a Container to the Merchant, whether supplied before or after the Goods are received by the Carrier or delivered to the Merchant.
(3) If a Container has been stuffed by or on behalf of the Merchant.

or compensation for loss or damage to the Goods, or compensation for loss or damage to the value of such Goods at the time and place they are delivered to the Consignee in accordance with the contract or have been so delivered.

(4) Where the Carrier is liable for loss or damage to the Goods, compensation shall be determined according to the current commodity exchange price for the goods in question at the time of delivery, or if there be no current price, the current market price, or, if there be no current price, the current market price, by reference to the normal value of Goods of a similar description.

(5) Except where otherwise provided in this Bill of Lading, compensation shall not exceed 2 SDRs per kilo of the gross weight, or 666 2/3 SDRs per package or unit, of Goods lost or damaged, whichever shall be the greater. SDRs shall be calculated as at the date when settlement is agreed or judgement made. However, the Carrier shall not, in any case, be liable for an amount greater than the actual loss to the person entitled to the claim.

(6) Where the Hague Rules, Hague-Visby Rules or COGSA 1971/92 or COGSA 1936 or Hamburg Rules apply, the Carrier shall not, unless a declared value has been noted in accordance with paragraph 5 of this Clause, be or become liable for any loss or damage to or in connection with the Goods in an amount per package or shipping unit in excess of the package or shipping unit limitation as laid down by the applicable Rules or Act or any regulation making these Rules compulsorily applicable to this Bill of Lading. Such limitation amount, according to COGSA 1971/92 and COGWA 1993 is a sum of 2 SDRs per kilo of the gross weight, or 666 2/3 SDRs per package or shipping unit, of the Goods lost or damaged, whichever shall be the greater. If no other limitation amount is applicable under the relevant compulsory legislation, the limitation shall be according to COGSA 1971/92.

(7) The Carrier's liability, if any, may be increased to a higher value by the Shipper making a declaration, in writing, of the Goods valuation on delivery to the Carrier of the Goods for shipment, such valuation to be inserted on the front of this Bill of Lading, in the space provided, and extra freight paid if required by the Carrier. In such case, if the actual value of the Goods shall exceed such declared value, the value shall nevertheless be deemed to be the declared value and the Carrier's liability, if any, shall not exceed the declared value and any partial loss or damage shall be adjusted pro rata on the basis of such declared value.

(8) Where a Container is used to consolidate Goods and such Container is stuffed by the Carrier, the number of packages or shipping units stated on the face of this Bill of Lading in the box provided shall be deemed to be the number of packages or shipping units for the purpose of any limit of liability per package or shipping unit provided in any International Convention of National Law relating to the Carriage of Goods by Sea or Water. Except as aforesaid the Container shall be considered the package, or shipping unit. The words "shipping unit" shall mean each physical unit or piece of cargo not shipped in a package, including articles or things of any description whatsoever, except Goods shipped in bulk, and irrespective of the weight or measurement unit employed in calculating freight charges. As to Goods shipped in bulk, the limitation applicable thereto shall be the limitation provided in such convention or law which may be applicable and in no event shall anything herein be construed to be a waiver of limitation as to Goods shipped in bulk.

12. DELAY, CONSEQUENTIAL LOSS, ETC.

(1) Arrival times are not guaranteed by the Carrier. If the Carrier is held liable in respect of delay, consequential loss or damage other than loss of or damage to the Goods, the liability of the Carrier shall be limited to two and a half times the freight payable for the goods delayed but not exceeding the total freight payable under the contract of carriage or the value of the Goods as determined in Clause 11 whichever is the lesser sum.
(2) If at any time the carriage is or is likely to be affected by any hindrance, risk, delay, difficulty or disadvantage of any kind (including the condition of the Goods), thensoever and whatsoever arising (whether or not the carriage has commenced) the Carrier may:
(a) without notice to the Merchant, abandon the carriage of the Goods and where reasonably possible place the Goods or any part of them at the Merchant's disposal at any place which the Carrier may deem safe and convenient, whereupon the responsibility of the Carrier in respect of such Goods shall cease.

(b) without prejudice to the Carrier's rights subsequently to abandon the Carriage under (a) above, continue the carriage. In any event the Carrier shall be entitled to full charges on Goods received for carriage and the Merchant shall pay any additional costs resulting from the above mentioned circumstances.

(3) The liability of the Carrier in respect of the Goods shall cease on the delivery or other disposition of the Goods in accordance with the contract of carriage, or by the Government or Authority or any person acting or purporting to act as or on behalf of such Government or Authority.

13. DEFENCES

(1) The defences and limits of liability provided for in these Conditions shall apply in any actions against the Carrier of loss of or damage or delay to the Goods whether the action be founded in contract or in tort.

14. LIABILITY OF OTHER PERSONS

(1) Any person or vessel whatsoever, including but not limited to, the Carrier's servants or agents, an independent contractor or his servants or agents, and all others whose whole or any part of the contract evidenced by this Bill of Lading, whether directly or indirectly, is procured, performed or undertaken, shall have the benefit of all provisions in this Bill of Lading benefiting the Carrier as if such provisions were expressly for his benefit and in entering into this contract the Carrier to the extent of these provisions, does so not only on his own behalf but also as agent or trustee for such persons and vessels and such persons and vessels shall to this extent be or be deemed to be parties to this contract.

(2) The libel set out in paragraph (1) of this Clause may be invoked by the Carrier for any purposes whatsoever whether or not connected with the Carriage of the Goods. Anything done in accordance with paragraph (1) of this Clause or any delay arising therefrom shall be deemed to be within the contractual Carriage and shall not be a deviation to whatsoever nature or degree.

16. DELIVERY

If delivery of the Goods or any part thereof is not taken by the Merchant, at the time and place when and where the Carrier is entitled to call upon the Merchant to take delivery thereon, the Carrier shall be entitled to store the Goods or any part thereof at the sole risk of the Merchant, whereupon the liability of the Carrier in respect of the Goods or that part thereof stored as aforesaid (as the case may be) shall wholly cease and the cost of such storage (if paid by or payable by the Carrier or any agent of sub-contractor of the Carrier) shall forthwith upon demand be paid by the Merchant to the Carrier.
